Mounting Cateye Computer to Space Saver

Use the RD310W BRACKET KIT Part number 1603892 that comes with some of the newer Cateye computers. https://www.shopcateye.com/product/rd310w-bracket-kit

Holding the bracket upright, place the band into the 2 slots on the side of bracket. Wrap the front end of the band around the bottom of the front slot. See Photo.

Place the bracket with the band attached on top of the **SPACE SAVER COMPUTER MOUNT** with the long part of the band facing towards the mounting hole of the **SPACE SAVER COMPUTER MOUNT**. Wrap the band down and around the mount and into the open slot of Cateye bracket.

See Photo for finished install.
